‡Limited Lifetime only applies to single-family structures. See TAMKO's Limited Warranty for complete details.

Colors that Bring Roofs to Life

Heritage® shingles are known for their dimensional style and timeless appeal — now available in a streamlined color collection designed to complement a wide variety of homes. Using TAMKO's APEX Color® technology and proprietary blending methods, each color is crafted for vivid contrast and long-term visual depth.

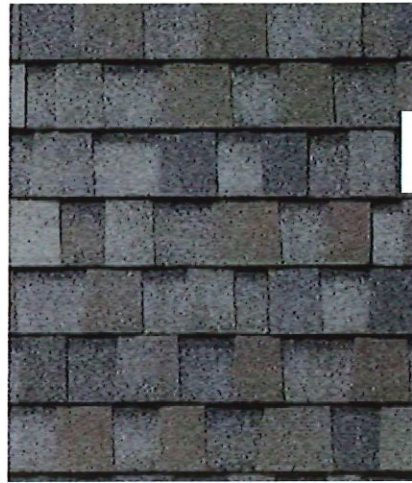

Classic Colors: traditional hues that stand the test of time with subtle granule blending and balanced tones.

America's Natural Colors®: inspired by nature, these blends feature rich contrast and dimensional beauty drawn from real-world landscapes.

Choose Heritage® shingles for proven performance and a roof that's as beautiful as it is strong.

Redesigned for Excellence

Heritage® shingles feature a completely redesigned formula,* engineered for enhanced durability and lasting protection. Built with TAMKO's proprietary TriShield™ technology, Heritage® shingles deliver uncompromising performance that homeowners can trust — crafted for beauty and built for durability.

Key Features of Heritage® Shingles

- 1 Granules Hold Firm
- 2 Sealant Grips Strong
- 3 Laminant Maintains Integrity

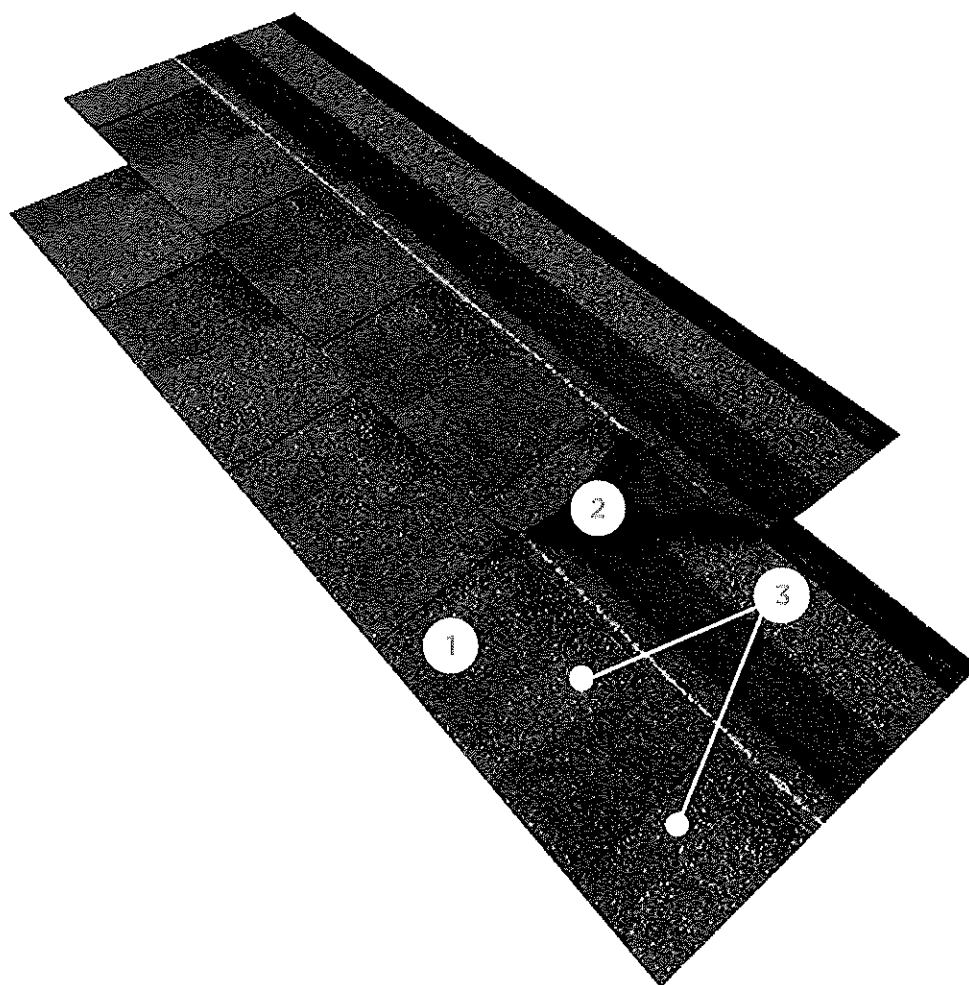

Built on TriShield™ Technology

Heritage® shingles are strengthened from the inside out with TriShield™ technology — a three-part system engineered for superior durability and long-lasting color retention.

Advanced asphalt formulation for enhanced granule adhesion and weathering protection.

High-quality fiberglass mat for structural strength.

Protective granule layer for long-term beauty and UV defense.

Designed for Performance. Styled for You.

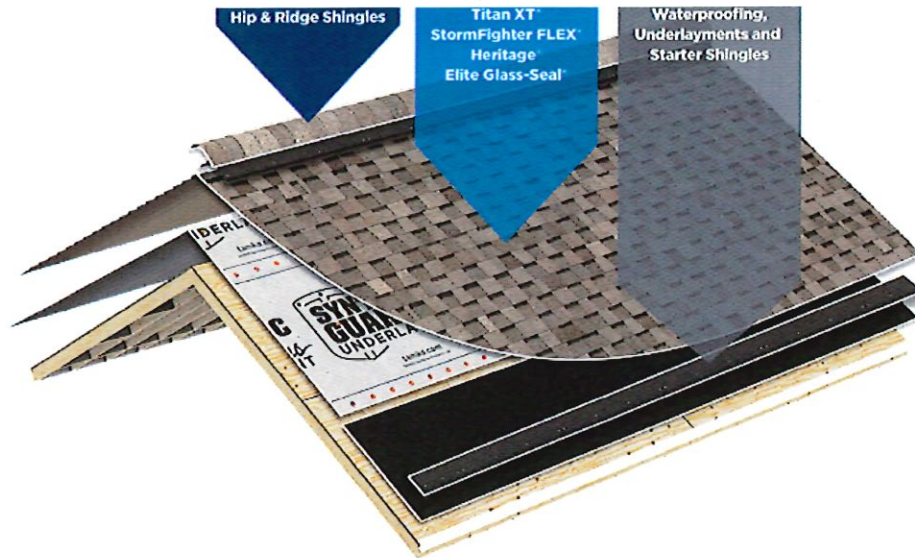

Whether you're drawn to high-performance shingles like StormFighter FLEX® and Titan XT® or the trusted look of Heritage®, TAMKO® helps you find—and visualize—your ideal roof. Start with the shingle quiz, then bring your vision to life in our Design Studio.

Combine **Heritage®** shingles with the **TAMKO Complete®** roof system

Maximize protection and performance by pairing Heritage® shingles with the full TAMKO Complete® roof system—components designed to work together with exceptional reliability.

[LEARN MORE](#)

Protect. Perform. Prolong.

Every Heritage® roof is designed to prolong the life of your home, perform reliably through the seasons, and protect with proven materials and technologies. Backed by TAMKO's decades of manufacturing expertise,[†] Heritage® shingles deliver both value and peace of mind.

SHINGLES BEGIN TO AGE AS SOON AS THEY ARE EXPOSED TO NATURE. BUILDINGS EXPERIENCE AGING FACTORS DIFFERENTLY, SO IT IS DIFFICULT TO PREDICT HOW LONG SHINGLES WILL LAST. TAMKO PROVIDES A LIMITED WARRANTY FOR MANY PRODUCTS, THAT INCLUDES A BINDING ARBITRATION CLAUSE AND OTHER TERMS AND CONDITIONS WHICH ARE INCORPORATED HEREIN BY REFERENCE. YOU

MAY OBTAIN A COPY OF THE LIMITED WARRANTY AT TAMKO.COM OR BY CALLING 1-800-641-4691.

FAQs

HOMEOWNER

CONTRACTOR

HERITAGE® SHINGLES HOMEOWNER

Are Heritage® shingles durable enough for my home? ^

Yes. Heritage® shingles are engineered with TriShield™ technology that enhances durability, resists granule loss, and provides long-term weather protection. Whether you face hot summers or freezing winters, Heritage® shingles are built to maintain their beauty and strength for decades.

Can I customize the look of my home with Heritage® shingles? v

What warranty comes with Heritage® shingles? v

What makes Heritage® shingles different from other shingles? v

How many colors are available in the Heritage® line? v

What does “Prolong. Perform. Protect.” mean? v

HERITAGE® SHINGLES CONTRACTOR

What improvements have been made to the redesigned Heritage® shingles? ^

The redesigned Heritage® shingles now feature advanced TriShield™ technology, which strengthens durability, improves granule adhesion, and enhances sealant performance. These updates mean contractors can install with greater confidence, knowing the shingles are built to perform in challenging conditions while reducing callbacks and warranty claims.

Are Heritage® shingles a good option for budget-conscious homeowners? v

Do Heritage® shingles qualify for wind warranties? v

Can contractors register warranties on behalf of their clients? v

*Heritage® shingles feature a completely redesigned formula, engineered for enhanced durability and lasting protection. Built with TAMKO's proprietary TriShield™ technology, they deliver uncompromising performance that homeowners can trust.

†All TAMKO® shingles are manufactured exclusively at facilities in the United States using some globally sourced component materials. 15-year Limited Warranty when following Heritage's high wind application instructions and fastening system. See TAMKO's full High Wind Application Instructions for all requirements and restrictions.

‡Limited Lifetime only applies to single-family structures. See TAMKO's Limited Warranty for complete details.

**TAMKO CONTRACTORS ARE NOT EMPLOYEES, AGENTS OR REPRESENTATIVES OF TAMKO BUILDING PRODUCTS LLC. TAMKO Pro Certified Contractors may receive certain benefits, such as marketing support, product rebates, access to third-party discounts and the ability to offer Enhanced Limited System Warranties.

††TAMKO Professional Certified Contractors can offer certain Enhanced Limited System Warranties. See tamko.com/edge for details.
